RAILWAY NOTES AND PERSONALS

Supt. Peckenpaugh of Sterling was in Alliance last week.

Engineer Swartout has resigned. So far he has made no definite plans.

Engineer James of Crawford hill has been visiting a few days in Alliance.

George Ash is a new employee in the train service. Mr. Ash is from Broken Bow.

Mrs. Don Wagner and sister Miss Ayres returned Monday from a trip to Denver.

Brakeman Ray Hoag is laying off on account of a very sore eye caused by hot cinders.

Brakeman J. C. Lang who has been off with a sprained ankle reported for work Tuesday.

Brakeman Parrish is nursing two very painful boils, one on his neck and one on his arm.

Engineer Tod Houston and daughter of Ravenna were among the Alliance visitors last week.

Brakeman R. E. Burns has resigned from the service. He will return to his home in Chicago.

No. 44 was delayed about seven hours Tuesday on account of a wreck on the Sheridan division.

Brakeman Walter Hack of the Young work train came to Alliance Tuesday. He was relieved by Ray Meeker.

D. J. Nelson, lately of the Sheridan division is now train master of the Alliance division effective August 1.

Miss Arlene Morrison, daughter of Engineer Morrison, is making a ten days visit with friends in Ravenna.

Engineers Nolan and Sam Burchell started Tuesday noon for a hunting and fishing trip to the lakes south of Alliance.

R. P. Moore has been transferred

Mr. Griggs as agent. Mr. Hillyer is well known in local railroad circles.

August 20th will be Railroad day in Denver. Hundreds of railroad men from this part of the country will attend and take part in the festivities at that time. There will be a street parade in the forenoon; basket picnic, sports and speaking at Lakeside in the afternoon. The celebration will be held by the American Railroad Employees and Investors' Association, whose members consist of railroad employes and railroad investors. The purpose of this association is to "cultivate and maintain between its members such a spirit of mutual interest and such concern on the part of all of them for the welfare and prosperity of American railroads as will promote their successful and profitable operation, for the benefit alike of their employes, investors and the public."

On Sunday evening a very pleasant surprise party took place in Supt. Wedenheimer's office. About twenty-five railroad men gathered there and sent for Train-master M. O. Joder to come in. In a few well chosen words Conductor Jim Armons presented Mr. Joder with a handsome diamond ring as a token of the esteem in which he is held by the railroad men of the Alliance division. Mr. Joder could say nothing but it was not necessary as his good work while occupying the strenuous position as train master speaks well for him. Coming as he did from the ranks he was able to understand the trials and difficulties rail road men are up against. He handled his men with a firm but just hand and won the respect of all. The generous contribution of every one shows that they all considered Mr. Joder a personal friend. The remark is made on every side, "Well he always gave me a square deal and I am sorry to see M. O. go."

R. T. Watson is "rusticating" in Omaha and Lincoln for a few days. He accompanied G. M. Parker who had charge of cattle for himself and G. H. Britton. Watson's and Parker's friends are expressing the hope that they will keep straight while in the metropolis.

A copy of the official premium list of the Inter-State Fair and Exposition to be held in Overland Park, Denver, Sept 3rd to 17th, has been received by The Herald. It is a booklet of 154 pages and a glance over its pages shows many thousands of dollars put up for prizes of all kinds.

Alliance people will learn with regret that Mr. Berry, the manager of the local Forest Lumber Company, is soon to leave. A. P. Lee, his successor, arrived last Thursday from Tulsa, Oklahoma, with his wife and their three children. Mr. Berry and Mr. Lee paid the Herald office a social call the last of the week. The Herald joins in welcoming Mr. Lee to Alliance and assures him that he will find Alliance to be the best little city of its size he has ever seen.

Miss Estella Smith, head trimmer at Simmons' millinery store, left on the early train this morning for Denver, after which she will visit one or two large cities farther east, and expects to be gone about a month. She will study fashions while away, and upon her return will be prepared to serve customers according to the latest and most approved metropolitan styles.

The new thirty horse power Rapid truck arrived Wednesday morning and was immediately put in use by the John Snyder dray line. This is a two cylinder machine with two ton capacity and Mr. Snyder figures that it will take the place of two teams part of the time and three at times. The truck was driven overland from Denver by a man from the Denver agency. This helps to show the immense amount of hauling necessary in Alliance and emphasizes the fact that the town is growing.

Miss Alfreda Zorn, daughter of Police Judge Gregory Zorn, returned from Crawford Saturday where she has been visiting her uncle for the last three weeks.

Word comes from Mrs. Robert Birney that she is having a very pleasant visit in Omaha. She will leave in a few days for Peoria, Illinois.

Miss Hattie Baker of the Newberry Hardware Company left Wednesday morning for a visit to her parents in southern Nebraska. She expects to be gone one month.

C. H. Britton and G. M. Parker shipped four car loads of cattle to Omaha Tuesday. Mr. Parker went with the stock. Before returning he will visit his mother, Mrs. Thomas J. Strupper, at Salix, Iowa, a suburb of Sioux City.

The new skating rink in the McCorkle building will have its music furnished by a fine electric military band organ which has been placed in a corner of the hall. The skaters will have an opportunity of keeping time with the latest tunes and songs.

Roy Beckwith and family, Sam Tillet and sister, Mrs. Williams, and Doctor Bellwood have returned from their trip in the Black Hills. All report a fine time and a good healthy tan is evidence of the fact that much time was spent where the wind and "Old Sol" got in his work.

The Secretary of the Box Butte County Fair Association has notified all stockholders that the sixty grandstand boxes will be put on sale Monday, August 15th, at 9 a. m. at the office of W. D. Ridgell. This will give everyone the same opportunity of getting a box.

Misses Bessie A. and Dee Etta O'Mara, of Lafayette, Ind., and James L. Watson, of Edwardsville, Ill., are visiting with Mr. and Mrs. Joseph Manion and the O'Mara brothers. They arrived the 20th of July and leave today or tomorrow for Fullerton, Nebr., where they will stop on their way home.

Paints are sold at Holsten's.

Joe McNamara is looking hale and hearty since his return from his eastern trip. Joe reports a very interesting time at the Elks Convention in Detroit. He also visited Chicago and other points of interest, combining business with pleasure. He is now receiving an immense fall stock of shoes, amounting in value to over five thousand dollars. The mechanical "shoeshiner," which he has just placed in the Alliance Shoe store, is proving quite an attraction. In operation it is very simple. You simply put a nickle in

the slot, place your foot on the rest, push a button and the job is done. While the action of the machine is simple it is very costly, this one being worth \$2,500.

J. R. Baskins, one of the leaders in the Alliance fire department, has returned from the state tournament at York.

Mr. and Mrs. J. A. Anderson are enjoying a visit from their daughter of Denver.

H. B. Gray, of Omaha, who is a son of J. B. Gray of Alliance, visited his father last Friday.

Frank Jones returned Saturday from a trip to Chicago. He is now night clerk at the Dismer Cafe.

Mrs. J. W. Sherman has returned from a visit to Denver. Mr. Sherman is manager of the Alliance hotel.

Dr. L. G. Bowman has purchased the Ford car owned by Dick Watkins, deceased. This is a good little car and the doctor seems to be giving it good use.

Mr. E. Lipska and wife, who lived in Alliance twenty-six years ago and who are now living in Laurel, Colo., are now visiting their daughter, Miss Grace Lipska of Alliance. They own some Alliance property and are looking after the same while here.

The Misses Alma Weidenheimer and Martha Kicken, accompanied by Sister Winifred of St. Agnes Academy, departed for Lewiston, New York, on No. 44 Sunday, where they will enter The Lady of The Sacred Heart Convent for a ten months' course, Miss Weidenheimer to study Art and Music, and Miss Kicken to complete the twelfth grade. The convent where these two popular young ladies enter is ten miles from Buffalo and may be reached by trolley car. It is on the Niagara River, ten miles from the falls at a place named Stella. This is the Mother house of the Order here.
